Github profile

<https://github.com/Ram-Devopss>

- Java Application Development (Android Native)
- Flutter Frameworks Development
- PHP Frameworks (CodeIgniter, Laravel)
- JavaScript, jQuery, AJAX, API Testing
- UI/UX Design (Mobile Apps, Websites)
- Python Machine Learning Development
- C/C++, MySQL-SQL, C#, .NET (ASP), Linux Tools.

EXPERIENCE

FINDINGNEARBY.APK, ANDROID DEVELOPER

DEC-2021 - 2024

- *Designed and developed high-quality Android applications with a focus on **UI/UX design** and **RESTful API integration**.*
- *Optimized **database schemas** and implemented modern development practices, including **MVVM architecture** and **dependency injection**.*
- *Successfully launched multiple **top-rated apps**, improving performance and boosting user engagement.*
- *Mentored **junior developers** and collaborated with cross-functional teams to deliver innovative solutions.*

FINDINGNEARBY.COM, WEB DEVELOPER(CODEIGNITER)

JAN-2022 - 2024

- *Specialized in developing robust, scalable web applications using **CodeIgniter**.*
- *Expert in **REST API integration**, **MySQL database management**, and front-end development with **JavaScript**, **jQuery**, **AJAX**, and **BOOTSTRAP-CSS**.*
- *Developed secured payment modules and **integrated booking systems**, ensuring reliability and user trust.*
- *Focused on delivering efficient solutions with a strong emphasis on **responsive design** and **intuitive UI/UX principles**.*
- *Collaborative team player with a proven track record of meeting project deadlines and achieving client goals.*

EZYTAK.COM, WEB DEVELOPER(LARAVEL)

JAN-2022 - 2024

- **Developed robust e-commerce solutions** with a focus on secure payment gateway integration and efficient shopping experiences.
- **Implemented location-based services** to enhance user convenience and product accessibility.
- **Managed and optimized product databases** in MySQL (cloud) to support scalable inventory management.
- **Built and maintained RESTful APIs** for seamless integration between systems.
- **Streamlined the shopping process** with enhanced navigation, smart recommendations, and simplified booking.
- **Implemented flexible payment options**, including COD, online payments, and a wallet system with ₹1000 credit for new users.
- **Ensured secure transactions** using Razorpay, enhancing customer trust.

EZYTAK.APP, FLUTTER DEVELOPER

FEB-2022 - 2024

- ***Delivered robust e-commerce solutions** with a strong focus on User Experience Design.*
- ***Integrated secure payment gateways** to ensure smooth and efficient transactions.*
- ***Implemented location-based services** to enhance user interaction and convenience.*
- ***Managed and optimized product databases** in MySQL (cloud) for better performance and scalability.*
- ***Developed and maintained RESTful APIs** for seamless system integration.*
- ***Established comprehensive testing workflows** to ensure high-quality deliverables.*
- ***Managed and enhanced the e-commerce site**, aligning it with business goals and improving overall performance.*

SSS GLOBAL TECHNOLOGY, SOFTWARE DEVELOPER

JAN-2021 - 2024

Over 20+ - Mini Projects

- ***Customized solutions** based on specific requirements, involving both frontend and backend development.*
- ***Utilized diverse programming languages and frameworks**, including Python, JavaScript, HTML/CSS, and MySQL.*
- ***Ensured seamless integration** and functionality through proficient use of various API workflows.*

LEADERSHIPS & AWARDS

Team Lead, Supporting Outfield Works, Interacting Apps,Webs

- Directed and managed teams in the development of key mini-projects, such as a Mobile Applications And Web Applications platforms.
- Oversaw project timelines and deliverables, ensuring projects met specifications and deadlines.
- Promoted effective communication and collaboration among team members while mentoring peers to enhance their contributions and development.

Mentor, Junior Developers

- Provided guidance and support to junior developers, aiding their professional growth and project involvement.
- Offered expert advice on coding practices, development processes, and project management to improve overall team performance.

EDUCATION

- BCA ,Madras University – Apollo Arts And Science College **2022-2025 Batch**
 - **Grade A++**
 - **Supporting Final Years Projects**
 - **Creative Contents Creator**
- MSA - (MASTER OF COMPUTER OF SOFTWARE) CERTIFIED
- NETWORK TESTING (IP-TCP,OCL MODELS, NETWORKFLOW CERTIFIED)
- ETHICAL HACKING TOOLS CERTIFIED (kali-Linux)
